COMMITTEE ON ARMED SERVICES

February 16, 1963

Honorable John A. McCone
Director of Central Intelligence
Washington, D. C.

Dear Mr. McCone:

In connection with its current inquiry into the Cuban situation, the Preparedness Investigating Subcommittee is deeply interested in obtaining such information as is available with respect to subversive, revolutionary and agitational activities from Cuba directed at other Latin American countries. You already know the extent to which your agency has given us information on this subject.

We need now to obtain detailed information on a country-by-country basis, setting forth both past and present actions in this regard so far as they are known. It would be most helpful to have this information in the form of a written report or memorandum. If this is not feasible, however, it would be appreciated if you could arrange for a detailed briefing to be given to selected members of the staff of the Subcommittee. Such a briefing can be arranged by contacting Mr. Kendall, the Chief Counsel of the Subcommittee.

In addition, the Subcommittee would like very much to obtain a copy of the report of the Organization of American States dealing with this subject. If you can assist us in obtaining this report or make any suggestions as to how it might be obtained by us, I would be deeply appreciative.

I thank you for your cooperation in this and other matters.

Sincerely,

John Stennis
Chairman, Preparedness
Investigating Subcommittee
